The rather young field of research into electricity savings is attracting increasing attention since low electricity consumption is a vital component of environmentally sustainable development. The potential benefits from using less electricity, without sacrificing quality of life, are immense, as the book shows with case studies from Eastern and Western Europe and the USA. Saving electricity means that the expense of constructing scores of power plants can be saved, and that their economic and environmental impact will vanish.

Journal This is the first volume in a monumental seven-volume encyclopedia, reflecting years of work by the Jack, Joseph, and Morton Mandel Center for Advanced Holocaust Studies at the United States Holocaust Memorial Museum, which will describe the universe of camps and ghettos—many thousands more than previously known—that the Nazis and their allies operated, from Norway to North Africa and from France to Russia. For the first time, a single reference work will provide detailed information on each individual site. This first volume covers three groups

of camps: the early camps that the Nazis established in the first year of Hitler's rule, the major SS concentration camps with their constellations of subcamps, and the special camps for Polish and German children and adolescents. Overview essays provide context for each category, while each camp entry provides basic information about the site's purpose; prisoners; guards; working and living conditions; and key events in the camp's history. Material from personal testimonies helps convey the character of the site, while source citations provide a path to additional

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal

with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do

An exciting new book exploring why we have not seen the enduring changes that were once optimistically anticipated. Each chapter tackles an important question around gender and leadership, such as 'Why do leader stereotypes emphasize masculinity?', 'Why are there so few women in top management positions?' and 'Why do (some) men in top management feel free to sexually harass women?'. Leading international scholar in the field, Gary N. Powell explores cutting-edge topics including; the appropriate role of masculinity in leadership,

the ever-so-small numbers of female CEOs, and sexual harassment by men in power such as Harvey Weinstein and the resulting #MeToo movement. With suggestions of practical steps that would work toward achieving a workplace in which all employees can reach their leadership potential regardless of their gender, *Gender and Leadership* is an important read for students and faculty members alike across the social sciences and humanities.

Part 1 of the document provides useful background information on harassment. It includes definitions,

examples and legal information to assist organisations in understanding the issue and their legal and ethical obligations. Part 2 of the document details the benefits of an anti-harassment policy, provides a policy checklist, a model policy which can be adopted and/or adapted to meet a sport's needs, and strategies for implementing the policy. It also includes some prevention strategies to be applied in addition to the adoption of an anti-harassment policy and procedures. Part 3 of the document deals with harassment complaint

procedures and the role of the Harassment Contact Officer and Complaints Officer. It includes model complaint procedures for internal and external complaints. Part 4 answers commonly asked questions concerning harassment and provides some examples relevant to sport. A Glossary of Terms is also included in this section to make understanding of this document easier.-opti.
