This book is a new addition for a broad-spectrum library in ophthalmology and other specialties in medicine of "InTech." It addresses ocular infections. These infections may result in blindness if not correctly diagnosed and promptly treated. Therefore, it is essential to be fully aware and knowledgeable about the manifestations of these diseases, and this book covers some of the different aspects of them. The chapters were written by experts from around the globe and these reflect the importance of the subject. The book is aimed for ophthalmologists, residents in ophthalmology and infectious diseases, general practitioners, and researchers in hope to advance the knowledge for the benefit of the world habitants wherever they are.

In 1967, Kathrine Switzer was the first woman to officially run what was then the all male Boston Marathon, infuriating one of the event's directors who attempted to violently eject her. In what would become an iconic sports image, Switzer escaped and finished the race. This was a watershed moment for the sport, as well as a significant event in women's history. Including updates from the 2008 Summer Olympics, the paperback edition of Marathon Woman details the life of an incredible, pioneering athlete, and the lasting effect she's had on women's sports. Switzer's energy and drive permeate the pages of this warm, witty memoir as she describes everything from the childhood events that inspired her to succeed to her big win in the 1974 New York City Marathon, and beyond.
