Everyone needs a second chance, even if your name is George Foreman. "My second chance arrived unexpectedly in a Puerto Rican dressing room after a heavyweight boxing match. What happened to me in that room is so incredibly bizarre, it's unlikely you've ever before read anything like it. Simply stated, I died and went to the other side. The experience impacted me so profoundly that three decades later I can't go a single day without thinking about it." A childhood in grinding poverty. Two heavyweight boxing championships – twenty years apart. A life-changing encounter with God. A new life devoted to ministry. An inspiring comeback and then astounding success as an entrepreneur and trusted product pitchman. For the first time, George Foreman tells the whole story of his remarkable life. With the frankness, warmth, and humor you expect from Foreman, he shares the faith journey that has shaped his life, offering many life lessons along the way. What are the secrets to George Foreman's inspiring success? Why is he always smiling? Why did he name all five of his sons George? There is no one quiet like George Foreman. God in My Corner explains why. More importantly, it will open your eyes to the reality that God is there in your corner, just as He's been there for George all these years.

Jesus in My Corner, written by Andy Flute, chronicles his struggle to overcome a myriad of life-long challenges with violence and alcohol. For over 30 years, violence and alcohol were Andy's daily bread until, one day, by the power of prayer, he managed to achieve what no amount of alcohol or prison incarceration could ever achieve. When he was at the point of death, intoxicated with alcohol following a ten-day binging session, I went to see my old mate and prayed for him with Pastor Steve. Andy was fighting the demon of alcohol and he was on the ropes, down for the count. Andy, a former captain of the English boxing team and British Middleweight title challenger alongside sparring partner Chris Eubank and other world class fighters, knew what brutal fighting was all about. This fight was different, one he couldn't win on his own strength. Andy felt the intense grip and destructive downward spiral alcohol had on his life. Battered and bleeding, with no more strength, he cried out to Jesus. In a truly miraculous turnaround, Andy found Jesus in his corner and almost instantaneously gave up alcohol. During the bleakest of moments, he experienced a spiritual awakening. Slowly, he found his way through darkest era of his life. He came to believe a power greater than himself in Jesus. Now with Jesus in his corner, Andy is an active member of Sedgley Community Church. The Bible employs the analogy of wrestling in reference to our warfare with Satan and his hosts. Andy had a fight that only Jesus could referee, this gigantic battle played out until he was baptised in water. Andy Flute's willingness to share the most intimate aspects of his life was born out of a deep desire to help others addicted to alcohol and violence. Despite these daunting events, Andy now works hard to live a normal life and raise a family of his own. He regularly attends prison workshops and shares his testimony in local schools. The Lord has made an amazing transformation in his life, He could do the same for you! His good friend, John Cramphorn

Written by Gold Medallion nominee Randy Newman, this captivating book allows readers to learn new evangelistic skills by eavesdropping on important conversations that grapple with hot-button issues.

One week after Wendy Blight's college graduation, she walked into her apartment to find a masked man holding a knife and waiting for her at the top of the stairs. The man spent an hour physically and sexually assaulting Wendy, leaving her changed forever. After this terrifying experience, she lived for years cocooned in a prison of fear, despair, and hopelessness. Finally, after years of searching and believing she had nowhere else to turn, she fell on her knees before God and poured out her tears, anger, and questions to Him. Wendy's story is one of transformation from trauma to rebirth through the power of the Word of God. Through *Hidden Joy in a Dark Corner*, the reader will experience hope and the encouragement necessary to press forward to healing and restoration.

Holding Up Your Corner: Talking About Race in Your Community, equips pastors to respond with confidence when crises occur, lower their own inhibitions about addressing this topic, and reclaim their authority as prophetic witnesses and leaders in order to transform their communities. Pastors and other church leaders see, to varying degrees, racially rooted injustice in their communities. Most of them understand an imperative, as part of their calling from God, to lead their congregations to address and reverse this injustice. For instance, preachers want to be preaching prophetically on this topic. But the problems seem irreversible, intractable, overwhelming, and pastors often feel their individual efforts will be futile. Additionally, they realize that there is a lot of risk involved, including the possibility that their actions may offend and even push some members away from the church. They do not know what to do or how to begin. And so, even during times of crisis, pastors and other church leaders typically do less

than they know they could and should. This book provides practical, foundational guidance, showing pastors how to live into their calling to address injustice, and how to lead others to do the same. Holding Up Your Corner prompts readers to observe, identify and name the complex causes of violence and hatred in the reader's particular community, including racial prejudice, entrenched poverty and exploitation, segregation, the loss of local education and employment, the ravages of addiction, and so on. The book walks the church leader through a self-directed process of determining what role to play in the leader's particular location. Readers will learn to use testimony and other narrative devices, proclamation, guided group conversations, and other tactics in order to achieve the following: Open eyes to the realities in the reader's community—where God's reign/kingdom is not yet overcoming selfishness, injustice, inequality, or the forces of evil. Own the calling and responsibility we have as Christians, and learn how to advocate hope for God's kingdom in the reader's community. Organize interventions and activate mission teams to address the specific injustices in the reader's community.

What Does 'Holding Up Your Corner' Mean? The phrase 'holding up your corner' is derived from a biblical story (Mark 2: 1 – 5) about four people who take action in order to help another person—literally delivering that person to Christ. For us, 'holding up your corner' has meaning in two aspects of our lives today: First, it refers to our physical and social locations, the places where we live and work, and the communities of which we're a part. These are the places where our assumptions, attitudes, and beliefs have influence on the people around us. When we feel empowered to speak out about the injustice or inequity in our community, we are holding up our corner. Second, the phrase refers to our actions, the ways we step up to meet a particular problem of injustice or inequity, and proactively do something about it. When we put ourselves—literally—next to persons who are suffering, and enter into their situation in order to bring hope and healing to the person and the situation, we are holding up our

corner, just like the four people who held up the corner of the hurting man's mat.

Have you ever wondered what Jesus wants your church to do? It can be disorienting to sort through the many ministry models available today, as well as the ever-present cultural expectation to grow. Claiming the Corner looks to Jesus' own teaching for how to make impact for the Kingdom of God. Each chapter focuses on one of the six Kingdom parables of Jesus in Matthew 13, interpreting them as instructions on serving and working Jesus' way. Discussion questions are included, as well as examples of diverse congregations that are fulfilling each parable in unique and creative ways. Join the Kingdom Impact Jesus' Way community at www.claimingthecorner.net and on Facebook. If your call is to grow the Kingdom of God, serve sacrificially, and push the boundaries for discipleship in Jesus Christ, you need to read this book – cover to cover – with your entire leadership team. Pastor Mark dares to re-examine the Kingdom parables of Jesus as recorded in Matthew 13 through the missional lens of leaving your church walls. You will be challenged. You will be stretched. And you will be blessed as the Holy Spirit moves through your ministry to the dark corners in your community. Fasten your seatbelt for real Kingdom Impact! —Pastor Brian Goke, Faith Lutheran Church, Bloomington, Illinois

Going Around The Corner engages adult Christ-followers, challenging them to consider their own neighborhood as a mission-field assignment by a sovereign God. Acts 17:26 tells us that God determines our appointed times and the boundaries of our habitation. We believe this truth. God divinely puts us where we live because He has a work for us to do as His ambassadors and ministers of reconciliation. Going Around The Corner is a mission strategy for your own backyard, using the same principles as a full-time missionary would use overseas. It is a 6-week Bible study that challenges you to

see your neighborhood as your mission field, working through five stages to reach your neighbors, friends and co-workers with the gospel. You will learn to explore your neighborhood by accepting the mission and praying for believing partners. You will engage your neighbors, first by prayer walking and learning to listen to the prompts of the Spirit, and serving them through biblical good works. You will learn to evangelize through conversations and simply sharing your story. As God begins to use you to lead others to Christ, you will learn how to establish them in their faith through personal discipleship, and equip them by bringing them into your own church body. *Going Around The Corner* helps pastors and church leaders train their members by teaching a simple, practical, biblical strategy of disciple making. Building on a solid biblical foundation, the goal is to encourage, motivate, and equip believers to carry out the Great Commission.
