Commissioned for the millennium by the Royal Armouries and dedicated to the victims of the Kosovo crisis, this work is a contemporary example of a mass based on the 15th-century French song L'Homme Arme (The Armed Man). The complete work sets sacred and secular texts including Tennyson, Kipling, The Koran and the Hindu Mahabharata within the framework of the Christian mass.

The long-awaited memoir of one of the world's most popular contemporary classical composers The Welsh musician Karl Jenkins is the UK's most popular contemporary composer, and one of the world's most critically acclaimed musicians. His fascinating story covers one of the most versatile careers in modern music. In this highly entertaining memoir, Jenkins gives an insight into the creative process behind the music that has touched so many across the globe. Having studied at the Royal Academy of Music, Jenkins became known as a jazz musician before going on to join legendary progressive rock band Soft Machine, of which he was a key member in the 1970s. Then, in the 1980s, he achieved huge success in the world of advertising, composing for brands such as Levi's, BA, Renault, Volvo, De Beers, Tag Heuer, and Pepsi. But it was in 1994 that his immensely successful project Adiemus: Songs of Sanctuary propelled him to international stardom. Combining a classical music style with an invented language, ethnic vocals, and percussion, the composition struck a chord with listeners the world over, reaching the top of the charts in many countries. Jenkins has since gone from strength to strength, forming a huge international following. He is that rare thing: a contemporary classical composer with enormous popular appeal, and one of Britain's national treasures. For all music fans, this will be a must read.

Retelling of the myth of the Cretan Minotaur, this book considers the inner world of the Minotaur himself, and suggests a dark and compelling reason for Ariadne's intense relationship with Theseus.

(Boosey & Hawkes Chamber Music). These delightful collections of carefully-selected pieces provide the perfect repertoire resource for aspiring Grade 1 and Grade 2 instrumentalists. Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike.
