Since the features on Casio keyboards vary according to the model, check your manual to learn which ones are available. For example, you may be able to set a metronome or follow programmed lessons. As a starting point, try playing a scale of C, which is when you play 8 white keys beginning with middle C. Record yourself as you play so you can find out where you're making mistakes.

Burgmüller's most famous work, the 25 Progressive Pieces, are short compositions with descriptive titles. Easier than his Opp. 105 and 109, each selection exposes students to a different technical challenge with the main emphasis on the phrasing, articulation, and dynamics often found in Romantic piano music. The collection includes "Arabesque" and "Ballade," both popular with many early-intermediate pianists.
