Driving and Me by Rex Romaine Bahr This book is designed to be used with drivers education schools to add more knowledge about driving. This book is about defensive driving. In this book, the author explains about different types of vehicles, tires and fuel. The trick is to DRIVE TO SURVIVE. A lot of drivers seem intent on killing themselves and others. The main problem is amateurs driving that should never have been allowed to get a license. It is up to you to watch out for numbers one and two – you and me. When you study and read this book you may want to take notes to refresh your mind from time to time. GOOD LUCK AND GOOD READING
