conditional sentences in English, using many examples from actual language-use. The syntax and semantics of conditionals (including tense and mood options) and the functions of conditionals in discourse are examined in depth, producing an all-round linguistic view of the subject which contains a wealth of original observations and analyses. Not only linguists specializing in grammar but also those interested in pragmatics and the philosophy of language will find this book a rewarding and illuminating source.

This book is intended for teachers of English.

Conditional constructions have long fascinated linguists, grammarians and philosophers. In this pioneering new study, Barbara Dancygier and Eve Sweetser offer a new descriptive framework for the study of conditionality, broadening the range of richly described conditional constructions. They explore theoretical issues such as the mental-space-building processes underlying conditional thinking and the form-meaning relationship involved in expressing conditionality. Using a broad range of attested English conditional constructions, the book examines inter-constructional relationships. Within the framework of

Mental Spaces Theory, shared parameters of meaning are shown to be relevant to conditional constructions generally, as well as related temporal and causal constructions. This significant contribution to the field will be welcomed by a wide range of researchers in theoretical and cognitive linguistics.

This book is a study companion written in plain English, which explains the things that you need to know to be successful in learning Portuguese. No prior grammatical knowledge is assumed, and technical terms are explained clearly and progressively. Exercises are provided to help you consolidate what you have learned and build your Portuguese vocabulary. Although the main focus is on European Portuguese, Brazilian alternatives are also given. Among the many things covered in this book: How do you pronounce words in Portuguese? What do all those funny little squiggles mean? What exactly are verbs, adjectives, prepositions, and pronouns? How do you know when to use 'ser' and when to use 'estar'? How do you use the personal infinitive? How does the subjunctive work? If you don't know your diacritic from your diphthong, you've come to the right place!

Real Grammar as a teaching resource: As teachers, we want our students to use what they learn in class when they communicate in English. Knowing grammatical structures is one thing, but being able to use them in a natural way can prove challenging. The key is to get the student to understand why. This is done by:- Presenting grammar concepts clearly.- Comparing the new grammar concept to similar grammar concepts the student is already aware of. This helps the students understand the similarities and differences, developing their ability to apply grammar in a way that communicates their thoughts clearly.- Expanding into uses in other situations. We present other contexts that a part of speech is used in, guiding the student to
