Whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes manual for just about every popular domestic and import car, truck, and motorcycle. By conducting complete tear-downs and rebuilds, the staff at Haynes Publishing has discovered all the problems owners will find when repairing or rebuilding their vehicles. By documenting each process with hundreds of illustrations and step-by-step instructions that show the exact order of assembly, Haynes manuals make every step easy to follow.

New from Edmund, a complete guide to buying, financing, insuring & maintaining cars. The book will analyze how to negotiate the purchase of a new or used car, how to finance, insure & prepare for selling a car. A section will explain dealer options that do not add value at resale. Chapters on car care will explain the need for basic maintenance & will provide easy-to-use charts to aid the user in keeping maintenance records.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

After After Raising SUGAR CANE BOOK-III is a continual autobiography of the life of Barry Franklin Anthony Raffray. This book starts in 1994 and goes to 2010. My first three sons are grown and I will now have two more boys to try and finish raising to become grown responsible men, after marrying their mom in 1997. We had many good times and some bad times. But I would do it all again. I hope that you enjoy reading this part of my life and experiences.
