the acclaimed author of *Delirious*. Tom Hawkins is an ex-Navy Seal turned high-school soccer coach, struggling to forge a good relationship with his teenage daughter, Jill. It's no easy task given the poisonous influence of his ex-wife, Kelly. It gets even tougher when Kelly is found dead in suspicious circumstances. Moving back to Shilo, New Hampshire, to raise Jill, Tom ignores the whispers about his possible involvement in Kelly's death. Then an anonymous blog post accuses him of having an affair with one of his young players. As the allegations escalate to shocking proportions, implicating him in a sexting ring, Tom realizes he's being targeted by insidious, elusive enemies. Husband. A family vacation turns into a nightmare for Michael Hart when he discovers his wife and two children have disappeared from their New York City hotel room. Horrified, he fears they've been kidnapped. Michael's frantic search to find them takes a shocking turn when he discovers that his wife, Natalie, appears to have left quite willingly, taking their children with her. The police want to know why, and so does Michael. But there may be a reason why Natalie ran, something Michael can't tell the police—the truth about his past. While untangling his deceptions might be the key to locating Natalie, Michael knows it could also be his undoing. To find his wife, he must now turn to the one person capable of exposing all that he's been hiding. Natalie thinks she has Michael all figured out and has

hatched a plan to escape from him permanently. One detail, though, threatens to derail her efforts: sleep—or more accurately, the lack of it. Since the moment the shocking revelations about her husband came to light, Natalie's insomnia has worsened to the point that she now suffers from delusions. Are her fears about Michael valid—or a symptom of her condition? With her children's lives at risk, the stakes for Natalie could not be higher. On her own, running low on energy and resources, avoiding increasingly close calls with Michael—who is on the hunt and closing in fast—Natalie needs someone to turn to for help. But who can she trust when she can't even trust herself?

encoded in DNA sparks a race against time to uncover the truth in this fast-paced thriller of science and faith, power and murder, loss and redemption. Dan Lawson, a former government cyber-intelligence analyst, is surprised to be contacted by his estranged friend Stephen Bishop, a renowned geneticist. Stephen says that he's discovered amazing information within DNA, including evidence of a creator, and needs Dan's help to protect his findings. Dan is skeptical and wonders whether he is being manipulated, or if the recent illness of Stephen's only child, Ava, has caused his childhood friend to fall back on religion for answers to questions best left to science. Spurred by his desire for proof that life has meaning, however, Dan puts aside his doubts and agrees to help. When an

uncharacteristic violent outburst, doctors are quick to dismiss his troubles as teen angst. But Secret Service agent Karen Ray, whose job is to guard the president's family with her life, is convinced Cam's issues are serious – serious enough to summon her physician ex-husband for a second opinion. Dr. Lee Blackwood's concerns are dismissed by the president's team – until Cam gets sicker. Lee must make a diagnosis from a puzzling array of symptoms he's never seen before. His only clue is a patient named Susie Banks, a young musical prodigy who seems to be suffering from the same baffling condition as Cam. Hospitalized after an attempt on her life by a determined killer, Susie's jeopardy escalates as Cam's condition takes on a terrifying new dimension. Is someone trying to
