When Angel Perez had a second chance at a new beginning, she packed up only a few personal belongings and headed to Florida to start over. On the run from an estranged and abusive ex-boyfriend, Jim Davis, Angel was determined to live a private life while trying to leave her past behind her. The moment the demon King Thorne of the Third Realm set eyes on the mortal huntress Sable, he knew she was his fated one. The fiery, dangerous female awakened hungers he had never experienced before, a dark craving and passion that has consumed him in their time apart. As the lunar cycle wanes, she enters his world again and nothing will stand in the way of him claiming his forever with her—not the relentless assault from the Fifth Realm or the dark elf male determined to seduce her out of his grasp. Intent on achieving the coveted position of commander at Archangel, Sable leads her small team into the dark underworld and the Third Realm, to a war where her allies are the very creatures she normally hunts—vampires, werewolves, and demons. Her eagerness to lead the deadly mission has everything to do with winning her promotion, and nothing to do with the kingdom's brash, lethally seductive demon king—a king who stirred fierce desire and wildfire heat in her with just a look and an innocent touch when they first met, and has been in her wicked dreams ever since. As the gathering storm between rivals unleashes irresistible passion that flares white-hot and the heat of the battle brings life-shattering realisations, can Sable place her duty before her heart? Or will she surrender to her deepest desires and be claimed by a demon king? If you like Kresley Cole's Immortals After Dark, Sherrilyn Kenyon's Dark-Hunters and Larissa Ione's Demonica world, you won't be able to put down the addictive Eternal

Five dishonored soldiers. Former Special Forces. One last mission. These are the men of Hard Ink. Ever since hard-bodied, drop-dead-charming Shane McCallan strolled into the dance club where Crystal Dean works, he's shown a knack for getting beneath her defenses. For her little sister's sake, Crystal can't get too close. Until her job and Shane's mission intersect, and he reveals talents that go deeper than she could have guessed. Shane would never turn his back on a friend in need, especially a former Special Forces teammate running a dangerous, off-the-books operation. Nor can he walk away from Crystal. The gorgeous waitress is hiding secrets she doesn't want him to uncover. Too bad. He's exactly the man she needs to protect her sister, her life, and her heart. All he has to do is convince her that when something feels this good, you hold on as hard as you can—and never let go.

When it comes to love, they already know the rules...by heart. Thirty-two and finally setting up her veterinary practice in the town she once called home, Emma Burnett is on her own and loving it. Independent and driven, she's not letting any man get in the way of her dreams. Not again. That's fine with Luke McCormack. Divorced and hardly lacking in female company when he needs it, he's devoted to the only faithful companion in his life—his police dog. Still, there's something about Emma he can't shake. When a series of local break-ins leaves Emma vulnerable, she seeks help from the first man to spark her desire in years. And now they're giving each other something they thought they'd lost forever...hope. **FIRST IN A NEW SERIES!**
