In this new book by Robert Kiyosaki and Sharon Lechter, C.P.A. you will learn the difference between good debt and bad debt and you will learn Financial Literacy --- Rich Dad style. Kiyosaki quotes Rich Dad; "The problem is not the credit cards---it is the lack of financial literacy of the peron holding the credit card that is the problem. Getting financially literate is part of the price you need to pay to become rich."

Rich Dad's Guide to Becoming... book by Robert T. Kiyosaki  
Books. Rich Dad Poor Dad was written by Robert Kiyosaki and advocates financial independence primarily through financial literacy and understanding money the way a rich person does. The author argues that the reason why so many poor and middle class people don't become rich is because they simply don't understand money and have values or beliefs that prevent them from getting there, such as ...

Becoming Rich... Without Cutting up Your Credit Cards by ...  
The Rich Dad philosophy makes a key distinction between managing your money and growing it... and understanding key principles of investing is the first step toward creating and growing wealth. This book delivers guidance, not guarantees, to help anyone begin the process of becoming an active investor on the road to financial freedom.

Rich Dad's Guide to Investing by Robert T. Kiyosaki ...  
Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards. Robert T. Kiyosaki \$3.99 - \$5.29. Why "A" Students Work for "C" Students and "B" Students Work for the Government: Rich Dad's Guide to Financial Education for Parents. Robert T. Kiyosaki \$7.49 - \$30.39.

Why cutting up your credit cards won't make you rich A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich \* Are you in credit card debt? \* Is job security dead? \* Is your financial security threatened? \* Is a high-paying job the answer? \* Is your money working for you? \* Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, "Good debt makes you rich and bad debt makes you poor." The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad's Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. "The reason Garrett Sutton's book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives."- Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

This handbook for parents explains how to teach children the fundamental principles of finance, introducing problem-solving skills that help youngsters understand the importance of a good education and financial planning in their lives.

Reveals how to actually speed up and maximize the return on investments to achieve total financial independence.

In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his poor dad,' and the father of his best friend, the man who became his mentor and his rich dad.' One man was well educated and an employee all his life, the other's education was street smarts" over traditional classroom education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Robert's poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert's thinking about money.Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world.Rich Dad Poor Dad will explode the myth that you need to earn a high income to become rich challenge the belief that your house is an asset show parents why they can't rely on the school system to teach their kidsabout money define, once and for all, an asset and a liability explain the difference between good debt and bad debt teach you to see the world of money from different perspectives discuss the shift in mindset that can put you on the road to financial freedom

An extraordinary collection of business success stories--all applying the principles from the #1 "New York Times" bestseller "Rich Dad Poor Dad."

Collects the first three installments of the best-selling series in a boxed set that includes Rich Dad Poor Dad, Rich Dad's Cashflow Quadrant, and Rich Dad's Guide to Investing, in a compendium that covers such topics as the financial management secrets of the wealthy class and effective ways to raise money. Original. 10,000 first printing.

How do you get a child interested in learning about finance? Give them a comic book! Robert Kiyosaki, author of the Rich Dad series, recognised the increasing need for people to begin their their journey to financial literacy - and life-long wealth - as early as possible, even before they become teenagers! In Escape from the Rat Race basic lessons about 'working to learn, not to earn', buying assets and understanding the financial statement are revealed through the kid-friendly tale of Timid E Turtle. When Tim runs out of cash at an amusement park his savvy friend, Red E Rat, shows him how to make money work for him - and tells Robert T. Kiyosaki's own riveting account of learning the basic principles of financial success. Illustrated with full-colour sequential art that ties in to Rich Dad's popular cashflow games and Website, here's a book that allows children - and reluctant readers of all ages - the chance to take their first steps towards financial success.
