must say in reviewing a book like SCIENCE & GRACE by Tim Morris and Don Petcher is I am no scientist. I can easily speak on the Christian aspects of the book, believing as both men do, but addressing the scientific portions here, I am helpless.

"Science & Grace" by Tim Morris and Don Petcher

Don Petcher, professor of physics at Covenant College (Lookout Mountain, Georgia) and co-author with Tim Morris of Science & Grace: God's Reign in the Natural Sciences (Crossway, 2006), makes the case that science is a wonderful enterprise for a scientist in the Calvinist tradition. Calvin's worldview gives a high or special place to the Scriptures,
