The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

Every learner has the potential to achieve great things. Talent helps unlock that potential. The Teacher's Book provides full lesson support for this level, including teacher's notes, audio scripts, answer keys and suggestions for extra activities. At the back of the book are multiple different types of tests, including skills tests, end of unit, mid-term and final tests.

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

"The authors do not hold back." —Booklist (starred review) "The palpable desperation that pervades the plot...feels true, giving it a chilling air of inevitability." —Publishers Weekly (starred review) "The Shustermans challenge readers." —School Library Journal (starred review) "No one does doom like Neal Shusterman." —Kirkus Reviews (starred review) When the California drought escalates to catastrophic proportions, one teen is forced to make life and death decisions for her family in this harrowing story of survival from New York Times bestselling author Neal Shusterman and Jarrod Shusterman. The drought—or the Tap-Out, as everyone calls it—has been going on for a while now. Everyone's lives have become an endless list of don'ts: don't water the lawn, don't fill up your pool, don't take long showers. Until the taps run dry. Suddenly, Alyssa's quiet suburban street spirals into a warzone of desperation; neighbors and families turned against each other on the hunt for water. And when her parents don't return and her life—and the life of her brother—is threatened, Alyssa has to make impossible choices if she's going to survive.
