Sailing Made Easy is the first step in a voyage that will last you the rest of your life. It is a gift from a group of dedicated sailing professionals who have committed their lives to sharing their art, their skill, and their passion for this wonderful activity. This book, which Sailing Magazine called "best in class" upon its release in 2010, is the most comprehensive education and boating safety learn-to-sail guide to date. It is also the official textbook for the ASA Basic Keelboat Standard (ASA 101). Incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts. The text 's most distinguishing feature is its user friendly "spreads" in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.

Learn the essentials of seamanship from one of the world's premier boating organizations Developed and refined through 40 years of Coast Guard Auxiliary training courses, Boating Skills and Seamanship is your perfect introduction to recreational boating's fundamentals. Great for beginning and intermediate powerboaters alike, it offers you the basics of choosing, equipping, and handling a small to midsize powerboat. This updated edition of the Coast Guard Auxiliary's classic boating skills manual will answer all your questions on: Selecting the right boat--whether a 10-foot skiff or a 35-foot cruiser Essential equipment, both required and recommended The latest electronic navigation Personal Locator Beacons (PLBs) and private communication services, e.g., SPOT devices and others Stability and safe loading Boat handling and
