With the visual ingenuity of Press Here and the emotional resonance of What Do You Do with a Problem?, this wise and timely book about the fragile art of personal connection will strike a chord with children and adults alike. In the era of social media, communication feels both more anxiety-producing, and more inescapable, than ever before. This clever, comforting picture book debut explores the challenges and joys of self-expression and social connection. Using an imaginative visual metaphor to bring to life how we send out (ping!) and receive (pong!) communications, Ani Castillo's words and pictures will empower and inspire anyone who has experienced the fear of sharing themselves with the world. With an artful, accessible package, an eloquent message, and a lot of heart, here is a new classic to bring courage and comfort to humans of all ages.

In this account of how the novel reorients philosophy toward the meaning of existence, Yi-Ping Ong shows that the existentialists discovered a radical way of thinking about the relation between the form of the novel and the nature of self-knowledge, freedom, and the world. At stake are the conditions under which knowledge of existence is possible.

Makoto “ Smile ” Tsukimoto and his friend Yutaka “ Peco ” Hoshino have been playing table tennis since they were kids, but as they enter high school, they find that the game has changed. Seeing potential in them that they themselves don ‘ t fully realize, the coach recruits them for the school team. Bringing out their best will mean challenging the top players from rival schools in the summer tournament, including an ace Chinese exchange student who almost made the Olympic team. With the pressure on, can Smile and Peco take the heat and make it into the finals? -- VIZ Media

Things have changed since the last inter-high tournament. Peco has quit the game, and “ Smile ” Tsukimoto's desire to play is gone. Even “ Demon ” Sakuma has been kicked off the Kaio team. But Coach Koizumi isn ‘ t going to let all that talent go to waste and launches a plan to get Tsukimoto back on the team and into top condition. Every great athlete needs a great rival to push them past their limits, and Peco and Smile—friends since they were children—must now challenge each other to become the heroes they always dreamed they could be. -- VIZ Media

These interactive stories, featuring bold graphics that will appeal to artists and art teachers, are excellent read-aloud books for young children. Two stubborn birds quarrel upon meeting, each wanting to be the sole star of the book. Gradually, their competitiveness turns to camaraderie as they encounter an artist wielding an eraser--threatening their very existence!
