The Orchard Book of Roman Myths - Princefield First School

It's an awesome book. It's about all the Roman myths. It's the same gods as in the Greek myths, but the names are different and some of the stories are different. I liked Romulus and Remus.

The Orchard Book Of Roman Myths by Geraldine McCaughrean From the same author and artist team as The Orchard Book of Greek Myths, this book of Roman myths includes the story of how Romulus and Remus founded Rome, how the guardian geese of Juno's temple saved Rome and why Rome was blessed with vines.'

A wonderfully rich and varied collection of fifteen stories from Roman mythology, retold for today's young readers. Here are all the famous myths from the birth of Venus, to the founding of Rome by Romulus and Remus. The great gods and goddesses, including Jupiter, Mars and Diana, are brought vividly to life by Emma Chichester Clark's beautiful illustrations that perfectly reflect the liveliness of Geraldine McCaughrean's gripping retellings.

Presents retellings of sixteen Greek myths, including the stories of Pandora, Daedalus and Icarus, King Midas, Jason, and Odysseus.

Lively, entertaining and accessible, these retellings of stories from Roman mythology feature famous gods and goddesses, and familiar Italian locations. Vividly brought to life by Tony Ross's much-loved illustrations, all of these stories are taken from the successful Orchard Book of Roman Myths. Romulus and Remus/Stolen Wives: Famous story of the quarrelsome twin brothers, Romulus and Remus, who are raised by a she-wolf, and grow up to create the city of Rome. And read how Rome became peopled with women in Stolen Wives.

In Gardens of the Roman Empire, the pioneering archaeologist Wilhelmina F. Jashemski sets out to examine the role of ancient Roman gardens in daily life throughout the empire. This study, therefore, includes for the first time, archaeological, literary, and artistic evidence about ancient Roman gardens across the entire Roman Empire from Britain to Arabia. Through well-illustrated essays by leading scholars in the field, various types of gardens are examined, from how Romans actually created their gardens to the experience of gardens as revealed in literature and art. Demonstrating the central role and value of gardens in Roman civilization, Jashemski and a distinguished, international team of contributors have created a landmark reference work that will serve as the foundation for future scholarship on this topic. An accompanying digital catalogue will be made available at: www.gardensoftheromanempire.org.

Provides young readers with a colorfully illustrated collection of fifteen stories about well-known and lesser-known ancient Greek gods and goddesses.

You probably know some of the truths behind the establishment of Rome as a country. This time, let's take a look at the mythical stories behind the creation of Rome. You will notice that the main characters of such stories are always Romulus and Remus. How did these twins create Rome? And what do you think happened to them? Read this book to find out!

Did you know that myths are more than just stories? They are reflective of the local culture, beliefs and traditions too. By learning mythology, you are adding the element of magic and imagination in the discussion of peoples and societies. This time, let's read about the Romans and Their Many Gods in this mythology book. Have fun reading!

Yochi Brandes is one of the top authors in Israel. The Orchard, her eighth book, is considered the most daring and ambitious of her novels. Critics went so far as to call it a cultural phenomenon after it eclipsed the Fifty Shades of Grey trilogy on the Israeli bestseller lists. The novel depicts the beginnings of modern Judaism and Christianity (in the first and second centuries) and the historical circumstances and tumultuous disputes that accompanied their births. The heroes of that generation (such as Rabbi Eliezer, Rabbi Ishmael, Rabban Gamaliel, Paul of Tarsus, and many others) become flesh and blood in this stunning interweaving of biblical and Talmudic lore into a page-turning read. At the heart of the book is Rabbi Akiva and his complicated relationship with his wife, Rachel, who met him when he was a forty-year-old illiterate shepherd, married him against her father's wishes, and compelled him to study the Torah until he became the nation of Israel's greatest sage. His novel method of interpreting Scripture provides his people with a life-giving elixir, but also gives them a lethal injection. The Bar Kokhba Revolt (the second rebellion against the Romans), which brought a terrible holocaust upon the nation of Israel that nearly caused its end. The Orchard offers a brilliant narrative solution to the riddle of the Bar Kokhba Revolt by tying the rebellion to one of the most fascinating stories in the Jewish tradition, the story of four sages who entered a metaphysical orchard: one died, one lost his mind, one became a hater of God, and one, Rabbi Akiva, made it out unscathed. Or did he?

"With impeccable research and flawless prose, Chevalier perfectly conjures the grandeur of the pristine Wild West . . . and the everyday adventurers—male and female—who were bold enough or foolish enough to be drawn to the unknown. She crafts for us an excellent experience." —USA Today From internationally bestselling author Tracy Chevalier, author of *A Single Thread*, comes a riveting drama of a pioneer family on the American frontier 1838: James and Sadie Goodenough have settled where their wagon got stuck – in the muddy, stagnant swamps of northwest Ohio. They and their five children work relentlessly to tame their patch of land, buying saplings from a local tree man known as John Appleseed so they can cultivate the fifty apple trees required to stake their claim on the property. But the orchard they plant sows the seeds of a long battle. James loves the apples, reminders of an easier life back in Connecticut; while Sadie prefers the applejack they make, an alcoholic refuge from brutal frontier life. 1853: Their youngest child Robert is wandering through Gold Rush California. Restless and haunted by the broken family he left behind, he has made his way alone across the country. In the

redwood and giant sequoia groves he finds some solace, collecting seeds for a naturalist who sells plants from the new world to the gardeners of England. But you can run only so far, even in America, and when Robert's past makes an unexpected appearance he must decide whether to strike out again or stake his own claim to a home at last. Chevalier tells a fierce, beautifully crafted story in *At the Edge of the Orchard*, her most graceful and richly imagined work yet.

Suitable for National Curriculum Key Stage 2-3, a collection of magical stories about the gods, giants and dwarves of Norse mythology. Illustrated in colour by Peter Utton.
