Some texts are better left untouched, as I am sure that I'm not able to improve upon John Henry Newman's words regarding what makes a true gentleman, from The Idea of a University (1852). And so, with no commentary needed, we launch into the specific description of a gentleman, as written by Newman. This simple page containing Newman's words regarding specific actions that refine a man ...

Johnslamson. My latest article for Parisian Gentleman. Unlike other elements in menswear, shoes are not a mere accessory. You actually need good shoes, quality support for your feet throughout the day, which explains why shoes have always been an investment and not just a fancy ornament. Technical and aesthetic creativity in boot-making have reached an impressive level, strangely contrasting ...
