~~Visual Culture And Tourism~~

From postcards and paintings to photography and film, tourism and visual culture have a long-standing history of mutual entanglement. For centuries art has inspired many an intrepid traveller, and tourism provides an insatiable market for indigenous art, authentic or otherwise. This book explores the complex association between tourism and visual culture throughout history and across cultures.

in importance as it receives recognition as a force far more significant than economic, environmental, and social analyses convey. This volume explores tourism as a significant phenomenon in both generating and receiving societies, examining methods and cases that demonstrate, develop, and affirm tourism's essentially visual nature.
